

## WINGMAN PROGRAM

Our Wingman Program links volunteers with veterans to provide essential goods & services that many low-income combat veterans & families struggle to obtain. Veterans receive a tremendous morale boost when the community steps up to help them. This contributes to healing from physical and emotional wounds of war.

### WHY VOLUNTEER WITH E4V?

E4V facilitates opportunities for you to honor veterans in your local community and around the nation. What makes us effective?

- Flexibility (we work with your schedule)
- A large variety of service options
- A palpable sense of making a difference

As a Wingman Volunteer, a simple training will be provided. You will provide active support to the veteran that you are assigned. Wingman Missions are as unique as the veterans that we serve. You have all the skills and creativity to accomplish your mission. Whether it's navigating available community resources, crowdsourcing goods for a specific need, or coordinating logistics for a service, your mission will make a lasting impact.

"I speak for myself that I feel not many people are able to help a veteran and sometimes we just feel like no one is there for us. This has really made me see things in a different light. Thank you for extending a helping hand." -Robert, U.S. Navy Veteran
